

Sponsor Introduction

Y. C. Yang

Yang Yinchao, male, Han nationality, born in July, 1964, member of the Chinese Communist Party, university graduate and senior engineer. He has been the barmaster of the Zhangcun Mine of the Hebei Taurus Energy Co. Ltd., the factory director of the cement factory of the Hebei Taurus Energy Co. Ltd. He is now member of the Party standing committee and vice general manager of the Hebei Taurus Energy Co. Ltd., and secretary of the Party standing committee and general manager of the Hebei Taurus Chemical Engineering Co. Ltd.

Mr. Yang has been working on the production frontier for a long time and is very experienced in applying theoretical knowledge to the practical production and is therefore a steadfast manager with grassroots experience. He is also actively involved in technology studies, with two research findings winning the second and third prizes in the Scientific and Technological Progress Award in Hebei Province, and over 30 research findings winning the scientific progress award from the company. He also hosted the "Research on Support Technology for Mine Large Cross Section mixed mode Rock Roadway in High Stressed Broken Zone" which is of world top standard and won the third prize in the Third Prize of Scientific Achievement in Work Safety and the third prize in scientific achievement promotion by the State Administration of Work Safety. His research papers are also published in many state and provincial level publications such as "Comprehensive Handling of Mine Water".

Mr. Yang has been elected as advanced worker in Hebei Mining Industry by the Provincial Office of Mine from 1990 to 1997; he has also been elected as an excellent party member for many times by the company between 2001 and 2003; he was elected an excellent youth of Hebei Province in 2004, which marked as second-class merit by the Hebei Province; he was elected the model worker and one of the ten outstanding young persons in the same year by the Hebei SASAC. He was elected as a model worker by the company in 2006, as a remarkable person in the Industry of building materials in January, 2007 by the Hebei Association of Building Materials, as model worker in the Industry of building materials by the Provincial Office of Human Resources, the general labor union, and the Association of Building Material Industry in December, 2007. Last but not least, the State Association of Mining Industry elected him as an excellent bar master.
